WARREN COLLEGE BRAND GUIDELINES
January 2023
Warren College has three marks to represent the college’s efforts: the custom Warren College logo, the Warren College co-brand logo and the Warren College sub-brand logo. The logos on the following pages are intended for use in print and digital mediums. For guidance on when to use which marks, see the chart on Page 5.

**Warren College Logo**

Each college has a unique logo to reflect its values and personality. These logos are best used on materials for and by students.

When featuring the college logo on collateral, the UC San Diego logo must also be included on the piece. Exceptions may be granted when imprint space is limited.

*When printing the Warren College logo on uncoated paper, use PMS 2041 U.*
Warren College Co-brand Logo

This mark pairs the UC San Diego logo side-by-side with the Warren College logo, separated by a vertical rule line. In most cases this is the preferred mark to use, especially when addressing prospective students.

Warren College Sub-brand Logo

Each college has official campus sub-brand logos for the college and its administrative units. These are ideal when space is especially limited and there is room for only one identifying mark.

For guidance on sub-brand logo use (color, clear space, etc.), refer to the Campus Logo section of the UC San Diego Brand Guidelines.

*When using the Warren College logo, the UC San Diego logo must also appear somewhere on the piece.
Each college has its own unique college color. For Warren College, the primary color is Warren Red (PMS 216). When printing on uncoated paper, PMS 2041 U should be substituted for PMS 216.

In most cases, college colors are applied to the college logo. While the college colors may be included as an accent in collateral, the dominant color scheme should be campus brand colors. Some exceptions may be granted for apparel.

WARREN COLLEGE

DESIGN EXAMPLES

Below are examples of how to apply the campus brand to Warren College marketing materials. For more detailed information on brand typefaces, photography and logo use, visit the UC San Diego Brand Guidelines.

The guidance on the following pages applies to imprinted products, apparel and merchandise (T-shirts, water bottles, pens, tote bags, stickers, etc.).

**Design Expectations**

All campus brand guidelines regarding logo use, color, clear space, etc. should be followed when designing imprinted products.

- The UC San Diego logo should be included on all imprinted products.
- The UC San Diego logo does not need to be the most dominant element, but it should be prominent enough to clearly communicate a connection to campus.
- Where the campus name appears in text, use “UC San Diego,” not “UCSD.”
- When the campus name or marks are used on imprinted products, they must be accompanied by the appropriate trademark symbol (TM or ®).
- Since the UC San Diego logo is printed in a range of sizes, the TM is best applied during the design process. The designer of the piece is responsible for adding these marks (in many cases, the vendor is the designer).

For the UC San Diego logo or name, the TM is placed to the bottom right of the “o.”

For the Warren College logo, the TM is placed to the bottom right of the logo.
A note on clear space: The clear space around the campus logo should be a minimum of one cap height (the height of the “U”). No text, graphics or other elements should appear in this space.

College Merchandise and Giveaways

- For imprinted giveaway items (pens, water bottles, mugs, etc.), campus brand colors must be dominant.
- College colors may be applied to the Warren logo or as accents if printing and space allows.
- Keep sustainability in mind when ordering giveaway items.

Ordering giveaways? More detailed information on campus licensing policy and the ordering process can be found at brand.ucsd.edu/using-the-brand/trademarks-licensing.
Small Imprint Areas

The college sub-brand logo is the preferred mark to use when space is limited. In cases where the sub-brand logo would be too small to reproduce, one of the following options is recommended.

- Set the name of the college in type at a legible size and include the UC San Diego logo, ensuring there is enough clear space between the logo and the type.
- Set the campus and college names in type only.
College Apparel

Additional design flexibility may be given to apparel (such as shirts with custom designs or dominant college colors) as long as the campus brand is represented through inclusion of the UC San Diego logo or Warren College sub-brand logo. Examples of appropriate logo applications are include below.

1. Custom Warren shirt with the Warren College co-brand logo on the back.

2. Warren logo shirt in Warren Red with the UC San Diego logo on the sleeve.

3. Custom student event shirt with the Warren College sub-brand logo on the sleeve.
